

A GMS Replacement Health plan helps you **maintain your lifestyle and afford health costs not covered by provincial plans** when you're no longer covered by group benefits.

- ✓ **Retiring?**
- ✓ **Reducing your hours?**
- ✓ **Starting a business?**
- ✓ **Between jobs?**
- ✓ **No longer covered under your parents' plan?**

**You're accepted. Guaranteed.**

No medical questions. No hoops. No hassle. Just make sure your plan begins within 60 days of the end date of your group benefits.

**Once you've got it, you've got it.**

You'll never have to reapply.

**24/7 self-service.**

Create a My GMS account to submit claims online and view your policy details anywhere, anytime. Plus, you can sign up to have claim payments deposited directly into a bank account, so you won't have to wait for cheques to come in the mail.

**Skip the claim.**

Show your pay-direct card at participating pharmacies, dentists, optometrists and health care providers (like physios and massage therapists) to avoid paying out-of-pocket and submitting claims altogether.

**Upfront information about drug coverage.**

Wondering if your drug's covered? Search our **Prescription Drug List** at [www.gms.ca/druglist](http://www.gms.ca/druglist). It includes the drugs that receive the most coverage under these plans. We cover drugs that aren't on the list too. If you can't find your drug, call us to find out if it could be covered.

# Generations of Canadians have counted on us. You can, too.

In 1949, well over a decade before Saskatchewan would introduce the world to Medicare, a determined group of friends and neighbours joined an equally determined group of doctors in one common pursuit: quality, affordable health insurance.

Everyone would contribute a small sum each month to make sure that, in the event of unexpected illness or injury, they and their loved ones would be well taken care of – and so would the bill.

**Group Medical Services was born.**

Today, GMS endures as a preferred provider of health and travel insurance, covering a vast range of costs government and other private benefit plans do not. And we've been extending our trademark combination of service, choice and value across Canada since 2003 – to enthusiastic and continually growing response.

Much has changed in over 70 years, but here's what never will: Our commitment to protecting you.
